

**Deep River Historical Society  
would like to ask you**

***“How much do you know about your house’s  
history?”***

*When was the house built? What people lived there first?*

**We can help you unlock your house’s history!**

**Take pride in your house’s unique place in the rich history of Deep River.** Even if you think that you know when the house was built, you may be surprised to find out differently.

***For a donation of \$200***, the Deep River Historical Society will provide you with documented research of your house’s deed history, including the names and dates of ownership. You will also receive an official plaque to display with pride on the exterior of your house which will state the name of the earliest owner and the date that the house was built. The Historical Society will also welcome a copy of any histories or photographs that you might have for our records.

To order your house documentation and plaque, please send your check for \$200 made payable to the Deep river Historical Society, along with the order form below to:
